CONDITIONS

All sporting and leisure activities have inherent hazards associated with them & rambling is no exception .

In spite of the safety of Ramblers members being of paramount concern , accidents will occasionally occur.

It is important therefore that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity, & take all reasonable steps to eliminate or minimize the potential for an accident to arise.

Walkers should bring their own provisions & ensure they have suitable clothing and boots & never leave a walk without advising the Leader .

When using minor roads walk in single file on the right side of the road facing oncoming traffic.

No dogs, registered Assistance Dogs only

Check meeting times and times of public transport and check website for updates

Leaders may alter a route, change or cancel a walk due to prevailing conditions.

Non-Members are allowed on 3 walks before being expected to join the Ramblers

ON A WALK THE LEADER'S DECISION IS FINAL

A WALK LEADER MUST BE A RAMBLERS MEMBER
TO LEAD WALKS

GRADES

Check with the Leader beforehand if in doubt about your level of fitness for any of the walks

Strenuous (S)

For experienced hill walkers with high levels of fitness. Over mountainous & rough ground with a brisk or moderate pace

Moderate (M)

For experienced country walkers with high levels of fitness. On lower hills with steep ascents & rough moorland, moderate pace

Leisurely (L)

For reasonably fit people with country walking experience. Mostly on flat ground but could involve short uphill sections & rough ground and distance approx. 8-12 miles

Easy (E)

For walks on flat ground with distance up to 5 miles

NEW WALKS

START THINKING OF WALKS FOR THE SUMMER PROGRAMME AROUND JAN/FEB & IN JUNE/JULY FOR THE WINTER PROGRAMME .
