

CONDITIONS

All sporting and leisure activities have inherent hazards associated with them, and rambling is no exception. In spite of the safety of Ramblers Association Members being the paramount concern, accidents will occasionally occur. It is important therefore that when entering into the activity, each member appreciates that they have a responsibility to identify the hazards associated with the activity, and take all reasonable steps to eliminate or minimize the potential for an accident to arise. Walkers should bring their own provisions, and ensure they have suitable clothing and boots. Never leave a walk without advising the leader. When using minor roads walk in single file, on the right side of the road, facing oncoming traffic. Check meeting times, and times of public transport. Leaders may alter a route, change or cancel a walk, due to prevailing conditions. Non members are allowed on 4 walks before joining.
Regret no dogs.

ON A WALK, THE LEADER'S DECISION IS FINAL.
