#### CONDITIONS

All sporting and leisure activities have inherent hazards associated with them and rambling is no exception . In spite of the safety, of ramblers members being of the paramount concern , accidents will occasionally occur. It is important therefore that when entering into the activity each member appreciates that they have a responsibility to identify the hazards associated with the activity, and take all reasonable steps to eliminate or **minimize** the potential for an accident to arise. walkers should bring their own provisions and ensure they have suitable clothing and boots. Never leave a walk without advising the leader . When using minor roads walk in single file on the right side of the road facing on coming traffic . Check meeting times and times of public transport. **Leaders may alter a route or change or cancel a walk due to prevailing conditions** . Non members are allowed on 4 walks before joining

#### ON A WALK THE WALK LEADERS DECISION IS FINAL

Grades Check with the leader before hand if in doubt about your level of fitness for any of the walks
