# RAMBLERS PAISLEY GROUP

## WINTER PROGRAMME

2013-14

[HTTP://PAISLEYRAMBLERS.CO.UK](http://paisleyramblers.co.uk)

## CONDITIONS

All sporting and leisure activities have inherent hazards associated with them & rambling is no exception .

In spite of the safety of Ramblers members being of the paramount concern , accidents will occasionally occur.

It is important therefore that when entering into the activity, each member appreciates that they have a

responsibility to identify the hazards associated with the activity, & take all reasonable steps to eliminate

or minimize the potential for an accident to arise.

Walkers should bring their own provisions & ensure they have suitable clothing and boots & never leave a walk without advising the Leader.

When using minor roads walk in single file on the right side of the road facing oncoming traffic.

No Dogs, registered Assistance Dogs only

Check meeting times and times of public transport and check website for updates

Leaders may alter a route, change or cancel a walk due to prevailing conditions.

Non-Members are allowed on 3 walks before being expected to join the Ramblers

**On a walk the leader's decision is final**

**A walk leader must be a Rambler's member**

## GRADES

Check with the leader before hand if in doubt about your level of fitness for any of the walks

**Strenuous (S)**

For experienced hill walkers with high levels of fitness. Over mountainous & rough ground with a brisk or moderate pace

**Moderate (M)**

For experienced country walkers with high levels of fitness. on lower hills with steep ascents & rough moorland moderate pace

**Leisurely (L)**

For reasonably fit people with country walking experience. Mostly on flat ground but could involve short uphill sections & rough ground distance approx. 8-12 miles

**Easy (E)**

For walks on flat ground with distance up to 5 miles

## NEW WALKS

**START THINKING OF WALKS FOR THE SUMMER PROGRAMME AROUND JAN/FEB & IN JUNE/JULY FOR THE WINTER PROGRAMME**
